Bill,

We were just on the brink of contacting you to ask the same question! Plus, we would like to ask for one more piece of information which will be part of the QAPP.

I'm copying Leena Raut, another Assistant Regional Counsel in our office who is going to be working on this investigation.

Unfortunately I am leaving the office for a meeting in four minutes. We'll be back in touch with you early next week.

Regards,

-Sarah

Subject: Diamond Alkali Site - Meeting Follow Up

Sarah:

Hope you are well. I am following up on our meeting that took place a number of weeks ago. We have been assembling the information that was discussed and are hoping to get it to you by early next week.

Has EPA made any progress on the items that we discussed? Also, is the data available from EPA's recent field work (from late 2013)?

Please advise.

Regards,

Bill
